

How to fill out a voter registration card

1. You must be able to answer YES to questions A and B in order to be eligible to vote.
2. You must indicate your reason for filling out this voter registration form, whether it's a New Registration, Address Change, Party Change, or Name Change.
3. Your Social Security Number (SSN) is the main way for the County Clerk to identify you for your registration. This information is kept secure. If you register without your SSN, expect the County Clerk to follow-up with you to complete the voter registration process.
4. Complete the following sections: Date of Birth; County (county for the address you are using to register); Work and Home Phone (so the County Clerk can contact you if they have questions about your registration); check Female or Male; Last, First, and Middle Name.
5. Fill out the "Address where you live" line—your precinct and polling location is based on this. (College students may put the address of their dorm if registering where they attend school). If you receive mail elsewhere, fill out the "Address where you get mail" line.
6. Choose a party: Democrat, Republican, or Other. Know that if you mark Other, you won't be able to vote in most primary elections in May because Kentucky has closed primaries.
7. Sign and date your registration, otherwise it is not valid. (Witnesses are needed only if you sign with an "X"). Make sure the voter registration card is filled out **completely** and **correctly**, not leaving any required field blank.
8. Mail or hand-deliver completed registrations to your local County Clerk by **Monday, October 6th** to ensure you will be able to vote on **Tuesday, November 4th**.
